ACTION: Notice.

SUMMARY: Notice is hereby given regarding the Recommended Determination (“RD”) on Remedy and Bonding issued in the above-captioned investigation. On April 27, 2015, the presiding administrative law judge issued a Final Initial Determination on Remand. The Commission is soliciting comments on public interest issues raised by the RD issued in the original investigation on August 14, 2009, specifically a limited exclusion order against certain 3G mobile handsets and components thereof manufactured or imported by or on behalf of respondents Nokia Corporation of Espoo, Finland and Nokia Inc. of Irving, Texas. The RD also recommends issuance of a cease and desist order against respondents.

SUPPLEMENTARY INFORMATION: Section 337 of the Tariff Act of 1930 provides that if the Commission finds a violation it shall exclude the articles concerned from the United States:

unless, after considering the effect of such exclusion upon the public health and welfare, competitive conditions in the United States economy, the production of like or directly competitive articles in the United States, and United States consumers, it finds that such articles should not be excluded from entry.

19 U.S.C. 1337(d)(1). A similar provision applies to cease and desist orders. 19 U.S.C. 1337(f)(1).

The Commission is interested in further development of the record on the public interest in these investigations. Accordingly, members of the public are invited to file submissions of no more than five (5) pages, inclusive of attachments, concerning the public interest in light of the administrative law judge's Recommended Determination on Remedy and Bonding issued in this investigation on August 14, 2009. Comments should address whether issuance of a limited exclusion order and cease and desist order in this investigation would affect the public health and welfare in the United States, competitive

conditions in the United States economy, the production of like or directly competitive articles in the United States, or United States consumers.

In particular, the Commission is interested in comments that:

- (i) explain how the articles potentially subject to the recommended orders are used in the United States;
- (ii) identify any public health, safety, or welfare concerns in the United States relating to the recommended orders;
- (iii) identify like or directly competitive articles that complainant, its licensees, or third parties make in the United States which could replace the subject articles if they were to be excluded;
- (iv) indicate whether complainant, complainant's licensees, and/or third party suppliers have the capacity to replace the volume of articles potentially subject to the recommended exclusion order and/or a cease and desist order within a commercially reasonable time; and
- (v) explain how the limited exclusion order and cease and desist orders would impact consumers in the United States.

Written submissions must be filed no later than by close of business on June 3, 2015.

Persons filing written submissions must file the original document electronically on or before the deadlines stated above and submit 8 true paper copies to the Office of the Secretary by noon the next day pursuant to section 210.4(f) of the Commission's Rules of Practice and Procedure (19 CFR 210.4(f)).
